Teachers Training: The Need

The Teacher is to a child what a gardener is to a plant. Desired growth and development in a child can be effectively brought forth at the skilled and efficient hands of a professionally trained and highly accomplished teacher.

“The training of the teachers who is to help life is something for more than the learning of idea. It includes the training of character, it is a preparation of the spirit”

- Maria Montessori

VFM Courses are resource rich, cost effective convenient, flexible and lifestyle friendly programme. Our teaching methods ensure that the talents of each child are nurtured to achieve his or her full potential. We aim to develop confident, self - reliant young adults with individual personalities in a relaxed and happy atmosphere.

“A man is not what he is because of the teachers he has had, but because of what he has done”

- Maria Montessori
